

Introduction:

4PMC Digital Services Kenya Ltd is a premier provider of immigration, operational and administrative support services across East Africa. They combine local expertise and global standards to deliver seamless immigration, work permit, and compliance services. Whether you're onboarding a new employee, sponsoring a dependent, or expanding operations in the region, 4PMC delivers compliance, efficiency, and confidence — backed by a team deeply committed to FCCK member success.

Why Choose 4PMC?

- Choose 4PMC Digital Services Kenya Ltd because we expertly bridge the bureaucratic gap between France and East Africa while delivering fully managed immigration and back-office solutions tailored for FCCK members.
- Our team of experts support complete end-to-end immigration and compliance — from application submission to pre-departure preparation and dependent documentation — all handled via a secure process for transparency and accountability . This is complemented by a robust suite of **back-office services, including local payroll, accounting and HR administration** ensuring your company scales efficiently from day one.

Our team combines regional expertise with a commitment to efficiency and client satisfaction, ensuring seamless service delivery tailored to your every need.

4PMC - Regional Expertise. Seamless Immigration. Service You Trust.
